Works for me.

Linda, will you add this to my calendar for Tuesday at 1:30?

Thanks

Draft Deliberative Document – AC Communication – AC work product

I'm sending along this SOW that Sara Sparks put together for the Smurfit Stone site that could perhaps be used as a starting point for the CFAC SOW.

Mike – we should take some time to discuss the details of the site so we can start on the same page when it comes to the SOW. Let me know if you have some time to chat in the next week or so.

Thanks,
Rob
